Message from the Chair...

The Suicide Prevention Coordinating Council met on Feb 15 in Tallahassee. Robert Siedlecki, who is the new DCF Assistant Secretary over Mental Health was introduced to the council. There was serious concerns at the meeting about mental health and substance abuse budget cuts. From what I have read, most of these cuts were averted. Also, there was a suicide prevention education bill, but it did not get out of committee this year. Both Ellen Piekalkiewicz of the Statewide Office of Suicide Prevention and Lisa VanderWerf-Hourigan, Director of Health Injury Prevention presented 2010 suicide data. Ellen Piekalkiewicz explained what her priorities would be for the coming year; 1. psychiatric hospitals discharge planning, 2. foster care parents and youth, 3. mental health providers, 4. Suicide prevention for veterans and youth. The Statewide Office has gone from two full time employees to one .20FTE temporary employee. There was no budget for a position, so DCF has found some funding. They now have access to the www.HelpPromoteHope.com website and can make changes to it.

Big Bend Hospice again held a Candlelight Ceremony for Suicide Survivors the evening of Feb 15. The program was a combination of music and speakers and poems and was very moving. We made legislative visits and manned tables, trying to lay groundwork for next legislative session. In order to put the education bill back in statute and fund at least one position, we will need to start very early (this spring).

The American Association of Suicidology Conference and the co-occurring AAS/American Foundation for Suicide Prevention's 24th Healing After Suicide conference in Baltimore April 18 – 21.

Take Action Brochures have been distributed to Coalition Directors for members. Please take these brochures to events that you may have. If you don’t have any of the printed brochures, I still have a limited supply and can send to you. Here is a link to the web friendly version:
Please link to this pdf file from your organizations web site. The coalition paid to have this brochure put in a web friendly version with our logo (thanks Steve Roggenbaum for helping to coordinate this). It is a great document and should be used.
The next goal will be to try to have a retreat in the fall. This is something that has been suggested the last two annual meetings. In order to achieve this goal, we need to find a place that in the center of the state and is very affordable. If any of you have any ideas, please consider checking into that location to find out the cost. I will check on Camp Blanding where we have met in the past. Any ideas and/or volunteers to help try to put this together would be most appreciated. Various church organizations throughout the state have retreat centers.

**National Prevention Week** is a new annual health observance supported by SAMHSA that celebrates the work that community organizations and individuals do year-round to prevent substance abuse and promote mental, emotional, and behavioral well-being. **National Prevention Week** will take place **May 20-26, 2012** and this year's theme is We are the ones. How are you taking action?

http://www.samhsa.gov/preventionweek/about.aspx

Finally, this issue of the newsletter is an attempt to put in one document, some of the activities and resources dedicated to suicide prevention throughout the state. If you read this newsletter and see that your region director is vacant, please contact me if you would be willing to serve as a director. Also, please note that the Vice Chair position is still vacant. If you see that a survivor groups is not listed, please also let me know. Terry Smith will be reviewing the newsletter and updating the website with the survivor group information.

SAMSHA Suicide Prevention Grant

The University of West Florida was awarded the Suicide Prevention Grant through SAMSHA and will be receiving over $100,000 per year for next 3 years. UWF Chapters of Students for Suicide Awareness, To Write Love On Her Arms, Gay-Straight Alliance, and Veteran Students of America have formed a coalition to help carry out prevention programs, trainings, poster campaigns, etc. through the grant.

UWF is also providing QPR suicide prevention gatekeeper training to students, faculty, and staff, are looking into policies and procedures related to crisis response and suicide prevention through a Suicide Prevention Coalition and have a social marketing poster campaign which seeks to encourage help seeking, decrease stigma, and address myths regarding suicide. Please see website for more information including a look at our posters. http://www.uwf.edu/cws/SOS.cfm

QPR gatekeeper training to the Pensacola community at CDAC on April 13th from 9-11. The fee is $20 per person. For more information about this training, contact Becky Daniels at bdaniels@cdac.info. Let me know if you have any questions.

I am proud to announce that SSA President Shane Kuhlman was chosen as the Outstanding Undergraduate Student for the 2011 calendar year out of 800 students in the Psychology Dept for all his involvement with SSA and the grant!! In honor of his achievement, he will be recognized at the UWF Undergraduate Honors Convocation to be held on Friday, March 30, 2012.

4th Annual "Seeds of Hope" Music & Art Show

SSA will be hosting their 4th Annual "Seeds of Hope" music and art show on Sat., April 14 from 12-5pm at the UWF Commons Auditorium. There will be live music, food, t-shirts and cds' for sale, the Survivor Art Exhibit and other resources. The event is free for students and $5 to the public.
The Overnight Walk 2012

The DREAM Team will be participating in the Overnight walk June 9 in San Francisco. Seven students and I have begun our fundraising and training. You can follow us at www.theovernight.donordrive.com/team/DREAMteam. If anyone in Florida is participating and would like to walk with us and join our team, please let me know.

RISE Phoenix (Revolution Inspired by Self Evolution)

RISE Phoenix will be passing through FL starting with Pensacola June 26 through Jacksonville July 25. Two survivors from Arizona inspired by "The Bridge" are cycling over 7000 miles from San Fran to NY March 1 through Sept. 30. They are raising awareness about suicide and the healing power of art. SSA is planning a music and art show to re-promote the DREAM Project compilation cd on Jun 27, place TBA and they will speak at our "Escape" music and art session June 26 at Longhollow Studio. Visit their website at www.risephoenix.org or follow their daily updates on facebook by clicking on their facebook link on their website.

Thomas Brown of RISE got my contact info from an outdated SOS website. He asked that I pass on their website and info to FSPC mailing list as they will be cycling throughout FL (from Pensacola down to Tampa over to Orlando and Daytona and up to Jacksonville) and would like to set up speaking engagements in the cities they stop by, and looking for campsites or floors/couches to crash on. They are also documenting their journey and any survivors, support groups, advocates, etc. are invited to be interviewed on the video to highlight what's going on in your area. I raved about how strong our coalition is, so if anyone wants to support them, they can contact Thomas (thomas@risephoenix.org) or let me know as I am keeping a list of contacts for FL. They have made contacts in Pensacola, Destin, Panama City, Tallahassee, and Jacksonville. Please do what you can to help them get to their end destination. Attached is their route itinerary - scroll down to pages 7-8 to see the list of cities in Florida.

TCF Survivors of Suicide Support Group

*This meeting is open to all survivors of suicide*
Support group meetings for TCF members who have lost a child or sibling to suicide on an as-needed basis.

Keep Hope Alive

There will be a suicide awareness and prevention forum called *Keep Hope Alive* on Thursday, April 5th from 6-8pm in the Reitz Amphitheater. There will be guest speakers, a suicide myth busters panel, and an expressive part including poetry, song, and speech. We will conclude with a candlelight remembrance ceremony for all those who lose their life everyday to suicide.
AFSP Florida First Coast Chapter Memory Cookbook

We are creating a "Memory Cookbook". We want to compile your favorite recipes and those of our lost loved ones. The "Memory Cookbook" will be available later in 2012 for purchase and we will sell them at future events.

Become a part of this as we collect memories. Please email your recipes to julielynn068@aol.com (Julie Rollberg) no later than March 31, 2012. Feel free to include a brief message to honor your loved one. There is no charge for recipes to be included.

Space for Memorials or Advertising can be purchased. If you are interested in purchasing space for advertising your business or a memorial for your loved one, you can contact Julie (904-955-0486) for pricing information or if you have any questions.

The Second Annual “Riding Out of the Darkness – A Motorcycle Ride”

The ride will take place on Saturday June 2. This year it’s being expanded to include a Car and Truck show and lots of fun children activities. Come for family fun, food and music! Additional information will be available soon.

Our Seventh Annual “Out of the Darkness Community Walk”

The walk will take place on Saturday November 10th. Information will be on the www.outofthedarkness.org registration website soon.

The AFSP Survivors of Suicide Event will take place on Saturday November 17th. More information will be released soon.
My name is Dove Hagan and I’m an independent singer and songwriter that believe children are the visionaries and fact-seekers that bring about change from generation to generation. The dynamics to which children go to find themselves and dissect the world differs from culture to culture and continent to continent, but what they all have in common is the passion, desire and ability to create trends. The greatest indicator of the adolescent’s power to influence is shown in music sales and is continuously exploited leaving our children vulnerable to dangerous fantasy, glamorization of external ills leaving them desensitized when faced with imminent danger.

Melody & Harmony Music Foundation was created as a vehicle to explore the healing power of music and implement positive enforcers to influence the young mind. One of the goals of the foundation is to use music as therapy to heal and enlighten children that are lost in the shadows of depression, abuse and have considered suicide as their only way out of their turbulent life. The “Not Invisible” campaign, held October 2011, was a community initiative that brought awareness to the alarming and escalating rate of suicide in children and teens in the Jacksonville, Duval County area. We are not naïve enough to think that a song will erase the hurt and pain that a child endures or has endured due to life stressors, but we are hopeful that the initiatives set forth will enlighten many as to the true plight that our children are faced with daily.

The next initiative, Shields, is an anti-bullying campaign that will launch this spring via a documentary produced by the foundation to bring awareness to the torment that some children suffer daily. Children that see no way out of the abuse may be apt to take their life as a means of escape and release. We want to make sure that this stops. The public school systems must accept that this is a growing problem and safeguards and education to nurture prevention must be put in place.

The core of the foundation is to show what could happen at the end of the depression that is untreated or unrecognized, at the end of the abuse and bullying that is dismissed or made light of, and at the end of the anger from the child that feels abandoned by society. Although in its infancy, with less than a year of existence, Melody & Harmony Music Foundation will continue to tackle stigmas that hinder the healing of our children.

To learn more about Melody & Harmony Music Foundation or to become a partner of the organization, please visit: www.melodyandharmonymusic.com

Support Group Training

Facilitating Suicide Bereavement Support Groups for Adults - May 4-5

Are you interested in starting a support group for adult survivors of suicide loss? AFSP’s Florida Chapters are holding a training right in your backyard. Whether you're brand new and want to start a group, or an experienced facilitator who wants to polish your skills - don't miss this two-day training program.

You'll learn everything from the nuts and bolts of how to structure a group to strategies for handling challenging situations. Lecture, interactive discussion, and role-playing with feedback are included.

Space is limited and the registration deadline is Wednesday, April 18. See details & register today.

If you can't join us for our May Training in Orlando, feel free to register for one of our other trainings listed below:

Indianapolis, IN on April 14-15 - Register by March 25

Salt Lake City, UT June 1-2 - Register by May 16

Madison, WI - Details to be announced soon

Tri-County Triangle of Care Suicide Prevention Conference

The Florida Initiative for Suicide Prevention is having its annual Tri-County Triangle of Care Suicide Prevention Conference on June 9th, 2012 for professionals and the general public. It will be held at the Nova Southeastern University-Terry Health Professions Building located at 3200 S. University Drive, Davie, FL 33328. This day will include an introductory speech, then two blocks of 4 speakers each, for which psychologists and DOs would be able to get CE credits for at least two of the presentations from each block. Each of these speakers will cover a different topic associated with suicide prevention. This will be completed by a panel of experts talking about different aspects of suicide. Additionally, breakfast and lunch will be served during breaks.
The SUNsm program, embraced by the Broward, Miami-Dade & Palm Beach County School Systems, was developed by Judith S. Tellerman, MAT, MEd, PhD, CGP, DAPA. It is a structured group counseling problem-solving program designed to prevent destructive behaviors, increase the ability to make healthy choices, teach a method to solve and cope with problems that can be applied to most situations, decrease violent confrontations and reduce impulsiveness. Group members overcome alienation and isolation and develop a sense of belonging. They learn to develop a support network, empathize with each other, interact more effectively in groups, work as team members, value multicultural perspectives and give and receive constructive feedback, becoming more self-assured, positive and focused on productive tasks as a result of newfound competencies. The SUN program can be used with youths and adults.

In addition to introducing SUN to the tri-county school systems, The Florida Initiative for Suicide Prevention, Inc. (FISP) is currently running the SUN program with mothers recovering from addiction at Susan B. Anthony Recovery Center. FISP is also running a SUN program with teens at the Juvenile Detention Center. FISP has just completed and is starting a new SUN Adam Silverman Group (for college students) at Atlantic International University. FISP has begun a SUNshine group with seniors at the Willow Wood Independent & Assisted Living, and will commence additional groups at the Daniel D. Cantor Center, the Southeast Focal Point/Joseph Meyerhoff Senior Center and in the Weston Police Sheriff's office.
