Reaching those in times of need

## FSPC 2022 Conference

### The Florida Suicide Prevention Coalition

(FSPC) is hosting its 6th Florida Taking Action for Suicide Prevention Conference at the Hyatt Place Tampa Wesley Chapel, 26000 Sierra Center Boulevard, Lutz, FL 33559 February 21-22, 2022.

FSPC invites state agency representatives, providers, FSPC members, suicide loss survivors, clergy, first responders, crisis center staff, prevention advocates, and the public to attend to learn about prevention initiatives, and gain skills in suicide prevention and advocacy. There will be time to network with presenters, attendees, and FSPC Regional Directors during conference breaks and Monday evening poster session.

This year's FSPC conference highlights multiple presentation periods and a new poster session for increased interactions with presenters. There will be concurrent sessions to provide conference participants multiple choices for session selection so attendees can personally tailor their experience.

This valuable educational opportunity will be packed full of important information and, after five years in Tallahassee, will be hosted in the Tampa Bay Area.
