

# Florida Suicide Prevention Coalition Volunteer Application

## So, you want to Volunteer?

The greatest asset of an organization is people committed to the cause. The FSPC operates with a core of committed people from our board and Region Directors, to collaborators and volunteers. We create a monthly newsletter, present to groups, host information tables, collaborate with other organizations, organize and facilitate a statewide suicide prevention conference, and more. For more info and to see if you qualify, please contact us.
